We are proud to invite you to the Second Annual Kuwait Breast Diseases and Oncoplastic Reconstructive Surgery Conference, to be held under the patronage of the Ministry of Health, State of Kuwait. The conference will be held from the 9th of January 2010 till the 11th of January 2010 at The Radisson Blue Hotel, State of Kuwait.

Over a period of three days a multitude of topics and events will be covered, including Poster Day display. The conference activities will include an outstanding exhibition with the participation of non government organizations whose contribution to the promotion of breast health in Kuwait is tremendous, as well as medical exhibits with the latest and most recent advances in General Surgery and Breast Disease.

The conference will aspire to act as nucleus for improving and establishing channels of communication between the Gulf States, neighboring countries as well as international breast care programs with the primary objectives being patient education, early detection and timely management of breast cancer.

Issues to be covered during the conference will encompass the following,

- Epidemiology of breast cancer both global and as pertaining to the Middle East.
- Diagnosis and oncoplastic surgery management.
- Benign breast disease management issues and risk assessment for development of malignant disease.
- Approach to breast disease management guidelines.

Registration will be on site, Medical personnel fee is 10 Kuwaiti Dinar, Medical Students and Nurses are welcome free.

We would like to inform you that the poster day submission dead line is the 10th of November, 2009. We will look forward to your contribution.
